SUMMARY

Motivated and detail-oriented web developer with experience in building web applications using Django, React, and Laravel. Skilled in developing full-stack projects including e-commerce platforms, gaming applications, and task management systems. Experienced in working with databases, REST APIs, and deploying projects on AWS. A quick learner with strong problem-solving skills, seeking an opportunity to contribute to innovative software development projects.

WORK EXPERIENCE

WATERLABS.AI 2 YEARS EXPERIENCE

DECEMBER 2024 - Present

- AR Executive with experience at Waterlabs.AI, specializing in medical billing and accounts receivable management. Skilled in handling insurance claims, payment follow-ups, denial management, and resolving billing issues with insurance companies. Strong knowledge of the AR calling process, claim status verification, and improving revenue cycle performance. A detail-oriented professional with excellent communication and problem-solving skills.

Data Entry :

Experienced in accurate data entry, maintaining records, updating databases, and handling large volumes of information with attention to detail.

INTERN EXPERIENCE

RECTOQ SOFTWARE SOLUTION

3 MONTHS

- Completed an internship where I gained hands-on experience in web application development. Worked on developing a Task Management System using technologies like Laravel, Python, Bootstrap, HTML, and CSS. Learned to design user interfaces, manage databases, and implement backend functionalities for task assignment and tracking. Developed practical knowledge in full-stack development and problem-solving in real-time projects.
